

**DEPARTMENT OF LIBRARY & INFORMATION SCIENCE  
PANJAB UNIVERSITY, CHANDIGARH**

**Action taken report: Teacher's feedback**

**Year: 01.07.2021 to 30.06.2022**

**Department: Library & Information Science**

Feedback was taken from the faculty members of the department on the scale of 1 to 5 [ 1- Poor; 2- Average; 3- Good; 4- Very Good; 5- Excellent] relating to the satisfaction with the curriculum, teaching, learning and evaluation for quality improvement of the department. It was observed that all the faculty members gave positive feedback regarding the ten components of Curriculum, Teaching, Learning and evaluation. The department undertakes the regular revision of the curriculum and syllabus based on the current and emerging trends in the field of Library & Information Science with every course having well defined objectives. The university library as well as department library are well equipped to serve the purpose of teaching, learning and research. Input from all the faculty members, research scholars are taken in the designing of the course content.

The department is currently working on revising the curriculum and syllabi as per NEP 2020 guidelines and CBCS (UGC). Teachers expressed their satisfaction as internship, fieldwork, research component along with value added courses and practical papers are going to be introduced. To enhance the curriculum-based ICT infrastructure, the Dept. has also raised the requisition for additional PCs under "New and Additional Demands"
